

A38 Lichfield to Toyota Island weekly e-bulletin w/c 9 October 2023

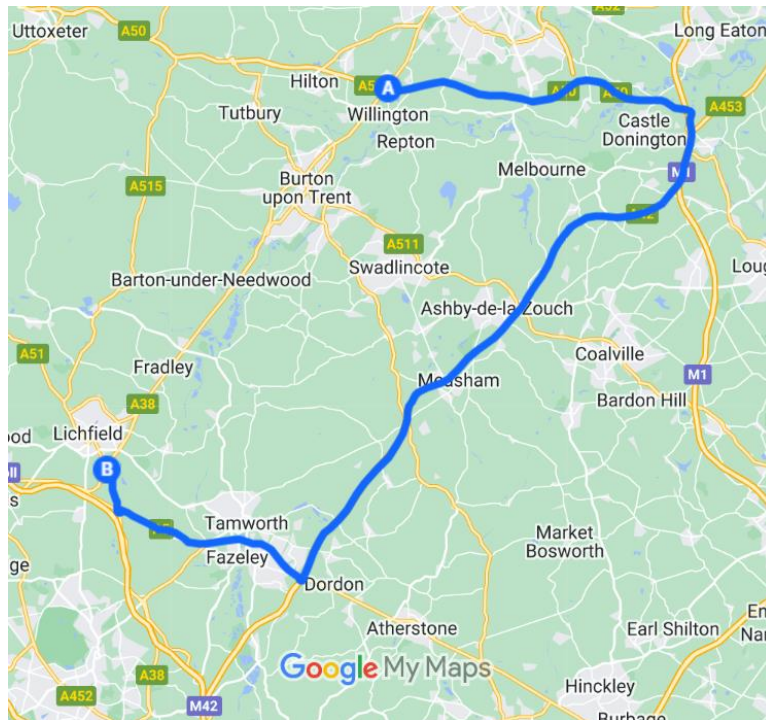

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

On Thursday 12 October, Friday 13 October, Saturday 14 October and Sunday 15 October, from 8pm to 6am, there will be full closures of the A38 northbound between the Hilliard's Cross junction and the Branston junction whilst we carry out safety barrier replacement, resurfacing and street light upgrades.

Please see the below diversion for these closures.

Throughout October, on weeknights from 8pm to 6am, there will be a single lane closure in place on both the northbound and southbound carriageway, between Hilliards Cross and Branston junction, whilst we carry out street light upgrades. Please note these are not full carriageway closures and one lane will remain open in both directions throughout this work.
